President's Message

Committee Chairs and Officers presented their goals and ideas for 2006-07 activities at the Planning Meeting held on July 27, 2006. Much discussion ensued and it looks like the year should be productive and exciting. Our emphasis remains on increasing membership through community awareness of ASWA and providing technical programs, which are of interest and a benefit to our members. At the same time, quality programming should encourage increased interest in membership. Finally, our Student Activities committee will again be hosting a Student Night in October to develop the student "market's" interest in ASWA and provide the students with helpful information as they embark on their careers.

Our first CPE program of the year was offered on August 3, 2006 with Chapter #29 member Donna Graber presenting much valuable information on the topic "Reading Between the Line-Tax Planning for Business". It was an intimate audience which actively participated in Donna's discussion by frequent questions anecdotes of their own experiences. A very successful afternoon!

On Saturday July 22, ASWA members (and one nonmember) helped the Rescue Mission staff serve lunch to 130 diners. Charla Roth, Pat Blum (Charla's mom), Jessica Mau, Mary Seliuk, and Roseanne Battoe met at the Food Service Center on Gifford Street, donned aprons, gloves and hats and pitched in to do whatever was needed. We all agreed it was a very rewarding experience. The Rescue Mission staff was friendly, welcomed us into their kitchen and kept us busy. It was an opportunity we would all like to repeat.

As you can see, we've had a very busy start to the year, but this is only the beginning. Please plan to join us on September 28, 2006 at Casa di Copani when we will continue to discuss & develop our plans for the year.

Roseanne Battoe
