President's Message

We have a couple of exciting months ahead of us, during which we will be hosting two of our traditional offerings. On Wednesday, October 18, 2006 we welcomed area students and their professors to Student Night. Our panel provided students with much "need to know" information about resume writing, interviewing and various job options in the accounting field. Our annual scholarships were also awarded.

CNY Chapter's 36th Annual Tax Seminar will be held on Friday, November 17th, offering 8 hours of CPE. All of our speakers have been with us in past years, so we can be assured of an informative and interesting program.

In December, we are hoping to continue our new tradition of having a Holiday celebration during which we will be "creating" gifts for a charitable organization. Details will be provided as they develop.

All of these programs were discussed at our regular meeting on September 28, 2006, which was devoted to catching up on business and continuing to develop our plans for 2006-07. At that meeting it was decided to change the November business meeting to November 2, 2006, since the 4th Thursday is Thanksgiving. A Board of Directors meeting at 5:30pm will precede this meeting.

I hope you are all enjoying the wonders of autumn in Central New York and that you will make an extra effort to support our upcoming programs.
